Today, you will awake to the exotic birdcalls in a magical new world with the whiff of Tanzanian serenity. We will meet at 8:00am for a safari briefing before we take a drive to Airport for your scheduled flight to Serengeti. Upon arrival at the airstrip, you will be met by a driver/guide who will transfer you to the Camp as you enjoy an enroute game drive enjoying the views. After lunch you will depart for an afternoon game drive. Serengeti National Park is arguably one of the best wildlife sanctuaries in the world and is probably one of the reasons you came to Africa. Charge your camera, grab your binoculars, and set out for an afternoon to remember as you set out accompanied by an experienced tracker-guide into the seamlessly never-ending expanses of the Serengeti.

- Main Destination: Serengeti National Park
- Overnight: [Acacia Seronera Luxury Camp](#) (Luxury Tented Camp inside Serengeti National Park)
- Meal plan: Lunch and dinner (Breakfast not included) Drinking water (Other drinks not included)

DAY 2: EXPLORE SERENGETI NATIONAL PARK

Rise early today for breakfast. As the cool, fresh air fills your lungs you will feel invigorated and rejuvenated, ready for a great full day game drive. Roll down the windows or stand up through the customized pop up roof hatch and enjoy these unhindered 360 views. A photographic dream unfolds before your eyes as we look out for the so called “big seven”-leopard, rhino, buffalo, cheetah, lion, elephant and African hunting dog. Your eagle-eyed driver will keep an eye out for wildlife – buffaloes, elephants, lions, wildebeests, zebras, serval, hyrax, baboons, honey badger, mongoose, bat-eared fox, pangolin, genet, giraffe, aardvark, ostrich, caracal, civet, both Thompson’s and Grant’s gazelle, vervet monkey and some 20 types of antelope including eland, waterbuck, topi, roan, the much smaller dik dik, duiker, oribi, klipspringer, kudu, impala, and hartebeest or kongoni. There is, of course, also a great profusion of birdlife. Over 500 species have been recorded here including bee-eaters, guinea fowl, storks, flamingo, hornbills, herons, bustards, ostrich, parrots, weavers, vultures, cranes, hoopoe, kingfishers, and the bizarre long-legged secretary birds. Serengeti tends to be less crowded, so enjoy the scenery, the vast expanse of the grasslands, the play of light and shadow, and the up-close look at wild Africa.
